

LOS ALAMITOS UNIFIED SCHOOL DISTRICT

February 23, 2021

APPROVAL OF MAINTENANCE AGREEMENTS

Approval is requested on the renewal of the following maintenance agreement:

Who: CleverBridge, Inc.  
What: Approval of renewal of maintenance agreement with Cleverbridge, Inc. for Lansweeper, a monitoring and tracking software to manage the inventory of technology devices  
When: March 31, 2021 through March 30, 2022  
Where: Districtwide  
Why: Lansweeper is a powerful easy-to-use monitoring solution that is highly flexible for monitoring technology devices. It allows us to monitor all networked and non-networked technology devices across the District. CleverBridge is providing an additional 20% discount for Los Alamitos USD.  
Cost: \$9,000. To be paid from the General Fund.

Who: SchoolDude.com, Inc.  
What: Approval of renewal of maintenance agreement with SchoolDude.com, Inc. for the use of a web-based work order system to be used districtwide.  
When: April 1, 2021 through March 31, 2022  
Where: Districtwide  
Why: Renewal is needed of the work orders system used by Maintenance and Technology to manage service requests and inventory management. We have had very positive feedback from our sites and staff who used this system. SchoolDude has provided sites with a way to look at requests and have constant communication with automatic email updates and charts on the progress of the services we are providing. The web-based application has provided a good system for the Directors and Principals to view work orders and provide the resources needed to continue to support educating our students.  
Cost: \$9,838.65. To be paid from the General Fund.
